Overall Length:

3.453 inches

Outside Diameter:

4.562 inches

Thread Size Designator:

3/8 24 both ends

End Application:

An/frq-18v

Design Type:

Internal gear

Securing Method:

Threaded hole both ends

Threaded Hole Quantity:

6 both ends

Threaded Hole Location:

Both ends: six holes spaced 0.188 from end of hub 60 degrees apart

Features Provided:

Gear flex

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A522b0
