**End Application:**

Used on single point davit onboard 210 ft wmec and various other cg vessels

**Design Type:**

Dual reduction

**Lubrication System:**

Oil bath

**Output Shaft Type:**

Spline

**Output Shaft Quantity:**

1

**Shaft Position:**

Output shaft extends down when installed

**Special Features:**

Wt 30 lbs; gear type-planetary; cubic measure-1.75 cu. Ft

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fiig:**

A522e0
