Speed Decreaser Gear Assembly - Page 1 of 1

View Online at https://aerobasegroup.com/nsn/3010-01-193-9979

Design Type:
Differential planetary reduction
Total Ratio:
5.29 to 1
Shaft Position:
Output shaft extends to left
Special Features:
Gear type-planetary; torque capaci type 15, 000 in./lb continous-30, 000 in./lb intermittently; brake static capaci type 5020 in./lb; output
rotation same as input rotation
Shelf Life:
N/a
Unit Of Measure:
-
Demilitarization:
No
Fiig:
A52200
