End Application:

An/nst-t1a warning set, warfair

Design Type:

Differential planetary reduction

Total Ratio:

48 to 50: 1

Lubrication System:

Self lubricating

Input Shaft Type:

Keyway

Input Shaft Quantity:

1

Shaft Position:

Output shaft l to r

Special Features:

Gear type-planetary

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A522e0
