

View Online at <https://aerobasegroup.com/nsn/3010-01-342-1808>

Body Material:

Steel

End Application:

Gatling gun

Integral Valve Operation Method:

Pneumatic

Special Features:

Proof pressure 312 psig, finish phosphate coating per d0d-p-16232

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A34200
