End Application:

Clutch assembly, part number 6-130-200-303-0 aboard 378 ft whec fram coast guard vessels

Design Type:

Dry

Material Location:

One side

Disk Type:

Plain

Section Quantity Per Side:

1

Features Provided:

Friction material facing

Construction:

Section

Special Features:

Serial numbers 58360-g-230, 58357-g-230, 58358-g-230, 58359-g-230,

Flexibility:

Rigid

Material:

Fiber

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:
