Overall Length:

1.500 inches

Outside Diameter:

5.775 inches

Bore Diameter:

3.0000 inches

Bore Length:

1.5000 inches

End Application:

Weapons system wasp class lhd

Bore Shape:

Rough stock

Special Features:

Used on overload safety device, torque limiter dt68, kornylak corp.

Material:

Steel

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A521x0
