Body Material:

Aluminum alloy, qq-a-367, alloy 6061

Bore Diameter:

2.119 inches

End Application:

Actuator, rtry hyd

Shaft Rotation Direction:

Clockwise and counterclockwise

Design Characteristics:

Single acting tandem cylinder

Product Name:

(navy)actuator, rtry, hydrl (drawing) rotary hydraulic actuator model 90758d, breech door assembly and parts list

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A34200
