**End Application:**

Misc parts auxiliary systems inls 2005

**Product Name:**

Fast-acting, two position actuators

**Special Features:**

Spring return direct coupled actuator (dca) with an integral junction box for on/off damper control. Line voltage; 120 vac. Counterclockwise spring return

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fiig:**

A30500
