End Application:

Misc parts auxiliary systems inls 2005

Product Name:

Fast-acting, two position actuator

Special Features:

Actuator i spring return direct coupled actuator (dca).Counterclockwise spring return. Line voltage: 120vac. Integral junction box for on/off damper control.

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A30500
