**Furnished Items:**

Clutch 1; clutch pressure plate 1; shifter, lower-located in cab 1; display-located in cab 1; controller-located in electrical center 1

**End Application:**

Engine, transmission and pump

**Component Quantity:**

5

**Component Document Origin:**

Industrial

**Document Source:**

2y614

**Document Type:**

Technical manual

**Component Document Page Number:**

1005 5-6 of 6

**Document Identification:**

2y614-01-077-059.00 engine

**Special Features:**

Kit includes part numbers I8a0631, I8a0630, I8a0054, I8a0221 and I8a0055

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fiig:**

A23800
