Overall Length:

1.330 inches

Overall Diameter:

0.750 inches

Product Name:

Coupler, lio equali

Special Features:

End item: coupler, lio equalization valve actuators

Material Specification:

Qq-n-281 class a federal specification all material responses

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A522c0
