Current Type:

Ac

End Application:

Damper, fire 11 x 17

Output Drive Torque Rating:

30.0 inch-pounds

Mounting Facility:

Mounting brackets

Voltage In Volts:

115.0

Special Features:

External actuator for damper control; two position spring return; clockwise return action; normally closed

Frequency In Hertz:

60.0

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A30500
