Overall Length:

3.580 inches

Outside Diameter:

3.450 inches

Bore Diameter:

40.0 millimeters through bore

End Application:

F-15sa

Bore Shape:

Straight through bore

Design Type:

Insert

Features Provided:

Keyway

Product Name:

Flexible drive coupling

Special Features:

Material light weight magnesium

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A522b0
