**End Application:**

Boat, patrol

**Bore Type:**

Straight

**Hub Bore Diameter:**

50.00 millimeters

**Product Name:**

VI3211r ele-silicone reinforce

**Special Features:**

Ambient temperature range from -42 degrees c to +120 degrees c

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fiig:**

A517y0
