Teeth Type:

Spur

Tooth Form:

Standard

Pressure Angle:

14.5000 degrees

Material:

Steel comp 303

Material Specification:

Qq-s-763, class 303 federal specification single material response

Surface Treatment:

Passivate

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A27300
