Teeth Quantity:

450

Tooth Form:

Standard

Pressure Angle:

20.0000 degrees

Material:

Steel comp 1045

Material Specification:

66 federal standard single material response and aisi/sae 1045 assn standard single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli

Fig:

A27300
