Pitch Diameter:

26.0000 inches

Teeth Quantity:

78

Tooth Form:

Standard

Pressure Angle:

14.5000 degrees

Face Width:

2.500 inches

Keyway Width:

0.750 inches both ends

Hub Style Designator:

Plain both ends

Hub Diameter:

7.000 inches first end

Precision Classification:

Quality number 12

Material:

Steel

Style Designator:

Flush hub

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A27300
