

View Online at <https://aerobasegroup.com/nsn/3020-00-679-8051>

**Special Features:**

5086, tem per h32, specification qq-a-250/7, 0.250 thick; for further information see drwg; test data docuement: c19207-8756630

**Material:**

Aluminum alloy

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fig:**

A520e0
