End Application:

2350-00-049-4791

Design Type:

Bevel all gears

Construction:

Solid

Outside Diameter:

10.999 inches all gears

Nominallength:

4.016 inches

Special Features:

Bushing included

Material:

Steel comp 8620h

Material Specification:

Qq-s-624 federal specification single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A270a0
