**End Application:**

2350-00-049-4791

**Design Type:**

Bevel all gears

**Construction:**

Solid

**Outside Diameter:**

10.999 inches all gears

**Nominallength:**

4.016 inches

**Special Features:**

Bushing included

**Material:**

Steel comp 8620h

**Material Specification:**

Qq-s-624 federal specification single material response

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fig:**

A270a0
