Hardness Rating:

20.0 rockwell c and 32.0 rockwell c

Teeth Type:

Spur

Tooth Form:

Stub

Pressure Angle:

20.0000 degrees

Material:

Steel comp 416

Material Specification:

Qq-s-763, class 416 federal specification single material response

Surface Treatment:

Passivate

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A27300
