End Application:

Topping winch reduction gear assembly in underway replenishment.

Pitch Diameter:

5.6250 inches

Teeth Quantity:

45

Pressure Angle:

20.0000 degrees

Product Name:

Set of gears consisting of the helical gear and pinion.

Material:

Steel comp 4620

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A27300
