Spline Quantity:

13 both ends

End Application:

Marine transmission model m15

Teeth Quantity:

25

Bore Style:

Straight spline both ends

Outside Diameter:

4.710 inches

Face Width:

6.380 inches

Special Features:

Uses ball bearing

Material:

Steel comp 8620

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A27300
