Body Style:

Plain, solid

End Application:

2840-01=030-4890

Teeth Quantity:

28

Pressure Angle:

20.0000 degrees

Special Features:

Flight safety critical aircraft part

Material:

Steel comp e9310 body

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A27300
