Product Name:

Pinion

Special Features:

Nha rotary hydraulic actuator model 1977a

Material:

Steel comp 630

Material Specification:

Astm a564, alloy s17400, type 630, cond. 1150 assn standard single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A27300
