**End Application:**

Rotary hydraulic actuator, models 30078a and 30096a; seawolf

**Teeth Quantity:**

12

**Product Name:**

Pinion

**Material:**

Steel comp 630

**Material Specification:**

Astm a564, alloy s17400, type 630, cond h1075 assn standard single material response

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fiig:**

A27300
