End Application:

Rotary hydraulic actuator, models 30078a and 30096a; seawolf

Teeth Quantity:

12

Product Name:

Pinion

Material:

Steel comp 630

Material Specification:

Astm a564, alloy s17400, type 630, cond h1075 assn standard single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A27300
