End Application:

Rotary hydraulic actuator, model 4001sb; seawolf

Teeth Quantity:

14

Product Name:

Pinion

Material:

Steel comp 630

Material Specification:

Astm a564, alloy s17400, type 630, cond h1075 assn standard single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A27300
