End Application:

Lm2500 machinery control system

Design Type:

Spur all gears

Construction:

Assembled

Special Features:

Nha: hyd. Motor 1/4 turn actuator p/n 43616-121d or 43616-1236; material is a silicon bronze; manufacture name: worm ring gear, differential

Material:

Copper alloy

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A270a0
