End Application:

Los angeles class ssn (688)

Product Name:

Gear, locking

Special Features:

Part of trash disposal unit

Material:

Copper alloy

Material Specification:

Mil-b-24480 military specification single material response

Surface Treatment:

Paint

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A27300

Mil-std (military Standard):

Mil-b-24480 spec.
