End Application:

Hoist drive and switch assembly

Current Rating:

250.000 amperes

Features Provided:

Framed

Voltage In Volts And Current Type:

600.0 ac

Product Name:

Nema operating mechanism

Special Features:

Used on switch assembly disconnect p/n 185556 assembly 101 and hoist drive cabinet 16213400-1

General Description:

Door mounted operating mechanism for circuit breakers class 9421

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A23900
