**End Application:**

Hoist drive and switch assembly

**Current Rating:**

250.000 amperes

**Features Provided:**

Framed

**Voltage In Volts And Current Type:**

600.0 ac

**Product Name:**

Nema operating mechanism

**Special Features:**

Used on switch assembly disconnect p/n 185556 assembly 101 and hoist drive cabinet 16213400-1

**General Description:**

Door mounted operating mechanism for circuit breakers class 9421

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fiig:**

A23900
