**End Application:**

3020-01-542-9287

**Component Quantity:**

2

**Supply Items And Quantities:**

Miter gear 2

**Package Model Number:**

N1-1-s

**Usage Location:**

Conus

**Special Features:**

Bore center to center dim is 0.531 inch; bore diameter is 0.1248/0.1253 inch; diametral pitch is 72; number of teeth in each gear is 36

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

Yes - demil/mli

**Fig:**

A23800
