Teeth Quantity:

150

Product Name:

Gear, dial

Special Features:

Material: carbon stee (aisi 1137-1144) ; mates with part number 99-00156; used on pl99-00150

Thread Series Designator:

Unc between body and flange

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A27300
