End Application:

Jp-5 transfer/stripping pump

Design Form:

Plain

Bore Type:

Straight

Keying Facility:

Included

Keying Facility Type:

Keyway

Securing Method:

Key

Lightening Hole:

Not included

Product Name:

Poly chain sprocket, motor

Special Features:

Key is secured parallel to shaft by setscrews

Material:

Steel

Material:

Steel

Quantity:

1

Style Designator:

Plain

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

T353-c
