Body Style:

Plain, with lightening holes

Keyway Quantity:

1

End Application:

Winch assembly

Pitch Diameter:

14.494 inches

Teeth Quantity:

56

Outside Diameter:

14.994 inches

Teeth Type:

Single helix

Tooth Direction:

Right

Pressure Angle:

20.0 degrees

Helix Angle:

15.0 degrees

Face Width:

4.000 inches

Precision Classification:

Quality number 9

Product Name:

High speed gear

Material:

Steel comp e4340

Style Designator:

Flush hub

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A27300
