Environmental Protection:
Heat resistant and oil resistant and static free
Strengthening Feature:
Synthetic cord
Performance Type:
Heavy duty
Cross-sectional Size:
В
Pitch Length:
109.800 inches
Material:
Fiber and rubber and rubber chloroprene class cr and fiber synthetic body
Style Designator:
Plain
Shelf Life:
N/a
Unit Of Measure:
Demilitarization:
No
Fiig:
A228b0
