**Environmental Protection:**

Heat resistant and oil resistant and waterproof and abrasion resistant and ozone resistant and chemical resistant

**Strengthening Feature:**

Steel cord

**Width:**

0.203 inches

**Pitch Length:**

10.976 inches

**Drive Type And Quantity:**

112 pin

**Pitch Distance:**

0.098 inches

**Material:**

Plastic polyurethane body

**Surface Condition:**

Smooth

**Style Designator:**

Positive drive, round

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fig:**

A228b0
