Strengthening Feature:

Fiber cord

End Application:

Moored training ship

Performance Type:

Standard capacity

Cross-sectional Size:

B

Width:

0.656 inches

Pitch Length:

54.800 inches

Material:

Fiber and rubber body

Style Designator:

Plain

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A228b0
