Environmental Protection:

Heat resistant and oil resistant

Strengthening Feature:

Steel cord

Performance Type:

Standard capacity

Cross-sectional Size:

A

Pitch Length:

62.300 inches

Material:

Fiber and rubber and fiber synthetic and rubber chloroprene class cr and rubber body

Style Designator:

Plain

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A228b0
