Environmental Protection:

Heat resistant and oil resistant and static

Strengthening Feature:

Fiber cord

Performance Type:

Not rated

Cross-sectional Size:

4l

Effective Outside Length:

49.000 inches

Belt Quantity:

2

Specification Data:

24161-2490-34 manufacturers standard

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A228b0
