Ply Quantity:

3

Width:

18.000 inches

Usage Design:

Conveying materials

Thickness:

0.296 inches

Special Features:

Fablon 220b; vanner sloped edge 0.500 in. Height; e/i is amobile asphalt plant; when ordering belt p/n must also include length and e/i serial number

Material:

Rubber synthetic

Style Designator:

Flange type

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A228b0
