Performance Type:

Standard capacity

Cross-sectional Size:

А

Pitch Length:

145.300 inches

Special Features:

Thermo king refrigeration unit model snwd50

Material:

Fiber body and rubber body and fiber synthetic body and rubber chloroprene class cr body and rubber body

Style Designator:

Plain

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A228b0
