Angle In Deg:

40.0

End Application:

Command control and communication system 427m

Width:

4.8 millimeters

Pitch Length:

375.9 millimeters

Special Features:

185 teeth, 2.032 mm tooth pitch, 1.53 mm thickness

Style Designator:

Double cog or notched

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A228b0
