Environmental Protection:

Oil resistant and waterproof

End Application:

Limit switch drive belt

Width:

16.0 millimeters

Pitch Length:

450.0 millimeters

Drive Type And Quantity:

90 teeth

Product Name:

Belt, positive drive

Material:

Plastic polyurethane

Surface Condition:

Cleated pulley surface

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A228b0
