**End Application:**

2350-01-458-7318

**Product Name:**

Belt, v, banded

**Special Features:**

Load, 25 hp max; speed range load, 1600-800 rpm; outside diameter driving pulley, 4 in ; expected service life, 350 hours ; operating temp range, -25 to positive 230 degrees fehrenheit

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fiig:**

A228b0
