End Application:

2350-01-458-7318

Product Name:

Belt, v, banded

Special Features:

Load, 25 hp max; speed range load, 1600-800 rpm; outside diameter driving pulley, 4 in ; expected service life, 350 hours ; operating temp range, -25 to positive 230 degrees fehrenheit

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A228b0
