Environmental Protection:

Chemical resistant

Strengthening Feature:

Steel cord

Width:

25.0 millimeters

Pitch Length:

72.0 millimeters

Drive Type And Quantity:

72 teeth

Pitch Distance:

10.0 millimeters

Product Name:

Metric pitch timing belt

Special Features:

Urethane steel cable construction. Oil, heat and abrasion-resistant

Material:

Plastic polyurethane body

Style Designator:

Positive drive

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A228b0
