First End Style:

Square (round corners)

End Similarity:

Identical

Overall Length:

9.525 inches

First End Width Across Flats:

1.248 inches

First End Diameter:

1.7480 inches

First End Step Length:

2.400 inches

Surface Finish:

125.0 microinches

Material:

Steel

Material Specification:

Fed-std-66 federal standard all material responses

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli

Fig:

A23200
